“The path of the seeker is full of pitfalls and temptations, and the seeker must walk it alone with God. I would recommend that you keep your feet on the ground and your thoughts at lofty heights, so that you may attract only good. Concentrate on giving so that you may open yourself to receiving; concentrate on living according to the light you have so that you may open yourself to more light; get as much light as possible through the inner way. If such receiving seems difficult, look for some inspiration from a beautiful flower or a beautiful landscape, from some beautiful music or some beautiful words. However, that which is contacted from without must be confirmed within before it is yours.”
