

November 2006

“As you concentrate on the giving, you discover that just as you cannot receive without giving, so neither can you give without receiving--even the most wonderful things like health and happiness and inner peace. There is a feeling of endless energy, it just never runs out; it seems to be as endless as air. You seem to be *plugged in* to the source of universal energy.”

Peace Pilgrim: Her Life and Work in Her Own Words - Pg. 23
